DEREK

TERRY
Are you calling my Gammy a liar?

RAMON (40's, tired) walks over to the counter and
covers the Scrabble board which is behind the counter
with a couple of rags.

RAMON
Claude! You know about English,

ACT ONE

INT. TV STUDIO (THE JOANNE KIRKLAND SHOW)- DAY

The cameras are rolling as Joanne is sitting across from Mauricio, she playfully hits him with the book.

JOANNE

Now what took me so long to get you
in that chair?

MAURICIO

You are my sister in laws favorite
TV personality, so she made me come
on.

JOANNE

Well thank you Mauricio's sister.

Joanne flashes a big smile.

JOANNE

Tell me sweetie, how do you get
inspired to write something so
good?

Mauricio leans back in his chair.

BEGIN FLASHBACK

INT. MAURICIO'S LIVING ROOM - NIGHT

Mauricio is talking to REYNALDO the party planner.
Reynaldo is wearing white shoes with yellow pants a red
shirt and orange blazer, if he were a holiday it would
be Easter, without the religion. He chews on his
thumb.

MAURICIO

El Rey, You know I love the place,
it's gorgeous. If there was a hall
of fame you would be the only one
in it.

REYNALDO

But...

MAURICIO

But I think the servers in the
roller skates are too much.

A server rolls by obviously uneasy and falls. The tray
of drinks fly everywhere.

REYNALDO

You may be right. The muse, she
sometimes whispers too loudly.

Reynaldo walks away clapping his hands.

REYNALDO

OKAY! We lose the skates and do it
barefoot!

Mauricio starts to clean up the dropped tray when two
of the staff quickly swoop in. SONNY (50's) Mauricio's
literary agent walks over to him.

SONNY

I love it, I must say, more over
they love it.

Sonny gestures over to the publishers who are talking
one of them raises a glass to him, She nods and drinks
from his glass.

SONNY

Pulitzer's always double the amount
of units sold and guess who is back
on top on Amazon?

MAURICIO

Spanish conquistadors?

SONNY

No, no, no, NO evils of
Imperialism, no wretchedness of
colonialism. No Native Americans
being murdered, no Mexican soldiers
were goaded into battle.

MAURICIO

But it's true.

SONNY

I know, but tonight, it's grateful
on taking the risk on the Mexican
writer. And grateful to the movie
studio for buying the rights.

MAURICIO

I won't embarrass you by talking
about the truth.

SONNY

I love when you turn your back on
your ideals. It wouldn't hurt to
mention you have a new book on the
way.

MAURICIO

I have nothing of the kind.

SONNY

Come on kid, I have a daughter at
Brown.

Sonny walks over to the gentleman he gestured to and
passes CARL (Mid 30's) who is walking behind a woman
trying to talk to her.

CARL
You think they would have been
happy that I found a hole in the
internet security--

Mauricio sticks out his arm to stop Carl.

MAURICIO
Hole in the security?

CARL
Yeah, I got fired for finding a way
to breach internet protocols.

MAURICIO
Fired? What happened?

CUT TO:

INT. OFFICE - DAY

Carl is sitting at his desk wearing headphones. His
eyes are wide as he is watching porn.

CARL
I should have gone into pizza
delivery.

CUT TO:

INT. MAURICIO'S LIVING ROOM - NIGHT

Carl has just finished explaining, Mauricio looks
flabbergasted.

MAURICIO
I can't imagine how they didn't see
your noble intent.

CARL
I know right. I should have just
wrote a best seller like you.

A drink slides over to his waiting hand. He smiles and
nods at the bartender. Sipping his drink he looks up
and sees a very classy older woman.

CARL
Hey bro, your Moms is here.

Mauricio begins to leave. Carl stops him.

CARL
Can I borrow your phone?

Mauricio shoots him a look.

CARL
My job took mine.

Mauricio shakes his head hands the phone over and walks over to his mother FLORA (65), he arrives as a waiter is trying to get her something to drink.

MAURICIO
She'll have a black tea with just a
little bit of cream.

WAITER
I'm sorry sir--

Mauricio interrupts.

MAURICIO
In the kitchen just above the oven,
the right cupboard, the kettle is
to the left of the tea.

WAITER
Yes sir.

The waiter walks away.

MAURICIO
Mom, you look fantastic.

FLORA
You could have been nicer to that
poor boy.

MAURICIO
That was nothing, I had terrible
customers when I was a bartender.

FLORA
I just don't want karma to come
back on you. We must be the change.

MAURICIO
Trust me mother I'll never have to
deal with the service industry
again.

FLORA
I thought I saw Carl here.

Mauricio faintly hears the slap of a face.

WOMAN #1 (O.C.)
PIG!

MAURICIO
I think he's over by the bar.

Flora makes her way over to Carl, as she walks...

FLORA
If you see your Father tell him I
need to have a word.

Mauricio nods his head and begins to look around.

MAURICIO
 (to himself)
 Where is the old man?

EXT. SIDE OF THE HOUSE- NIGHT

Vince is drinking a canned beer shaking some dice in his hand. He is surrounded by some caterers and cooks on a break.

VINCE
 Mis amigos!

Vince throws the dice and rolls a winner.

VINCE
 The dice, they love me.
 The workers begrudgingly pay him.

VINCE
 It's not personal my friends.
 Mauricio walks around the corner and sees the payments taking place. His pace picks up as he walks over.

MAURICIO
 What the hell is happening?
 The cooks see Mauricio and scatter inside the house.

VINCE
 Hey! Where you going?
 Mauricio shakes his head.

MAURICIO
 Pop... there is a very nice party inside.

VINCE
 With all your fancy friends that think their sh--
 Mauricio interrupts.

MAURICIO
 Okay, there is no need for that.

VINCE
 Don't stink.

Mauricio retrieves Vince's jacket which is hanging on the handle of a push broom leaned against a wall.

VINCE
 Come on son, get a bottle, Have a drink with the old man.
 Mauricio gives his Dad his coat.

MAURICIO
I'll have that drink inside.

INT. MAURICIO'S LIVING ROOM - NIGHT

Carl puts down the phone and finishes his drink. He signals to the bartender, who makes him a fresh drink, an attractive woman walks by, Carl smiles. The woman shows him her ring finger with a large rock on it.

CARL
Your middle finger would have been
equally effective.

Mauricio's phone buzzes, Carl picks it up it reads "911 I'm done with Val can I stay with you?" Carl smiles and looks around and starts typing.

CARL
Absolutely, Mi casa, a su casa.
Take my room. Smiley face, peace
sign

He smiles and hits send and puts the phone down.

CARL
Amber is coming.

Mauricio walks over and grabs his phone.

MAURICIO
Did anyone call?

CARL
Nope, no calls. Can I use the head
upstairs?

MAURICIO
Sure. Just be careful I have a
ship in a bottle built by Herman
Melville in there.

CARL
You got it. What's up with your
dad?

MAURICIO
I haven't seen him yet. Hopefully
he's picking out a card.

INT. MAURICIO'S LIVING ROOM - LATER ON

The party is over as Mauricio and Vince are playing cards on a table in the middle of a room, there is a cooler next to them while the party staff is cleaning around them. Vince deals out one card.

VINCE
Does he get it on the river?

Vince places the card down and it gives Mauricio three of a kind. He smiles and takes a drink of his beer. He then yawns.

MAURICIO
I'm done Pop.

VINCE
We are just getting started.

Mauricio checks his watch but it is blurry. He closes one eye to see clearly.

MAURICIO
It's late Pop

VINCE
What did that last hand bruise your Fallopian tube?

MAURICIO
Very progressive.

VINCE
Pay up kid.

Mauricio takes off the left cuff link, and hands it to his Dad. Dad puts the cuff link in his pocket.

VINCE
That was fun. Now we're in business.

MAURICIO
Actually the gambling known as business looks with austere disfavor upon the business known as gambling.

Vince stares at his son with a befuddled look.

MAURICIO
Ambrose Pierce.

VINCE
Only Pansies that don't play cards all night... are pansies... Vince Gabriano.

Mauricio gets up and leans in to hug his Dad.

MAURICIO
Good night Pop.

VINCE
One more hand.

MAURICIO
Sorry? I'm whipped.

VINCE

Glad to see all that school made
you a wuss.

MAURICIO

Yup, sorry, I can't be tired
tomorrow afternoon. It's not like
I can take a nap in the office.

VINCE

You couldn't spend one month living
my life.

MAURICIO

Are you kidding me? Easiest year
of my life--

Mauricio realizes his error.

MAURICIO

I'm going to bed. You can stay in
the back house or the guest room.

VINCE

You wanna bet?

MAURICIO

What are you talking about?

VINCE

Let's make it interesting.

Vince shuffles the cards.

VINCE

High Card. You run the garage for
a year.

MAURICIO

Or?

VINCE

I'll let you sell it.

MAURICIO

If I get a high card?

VINCE

I'll stop giving you grief.
Anything else, I win.

MAURICIO

No. You have to write a book.

VINCE

What are you talking about?

MAURICIO

We trade lives.

VINCE

That's crazy.

MAURICIO
Who's the pansy now?

VINCE
Fine.

The two shake hands.

MAURICIO
Very Well.

They each pull a card from the deck and stick it to
their foreheads. The cards are both Kings.

Vince starts moving around the living room to suit his needs. He starts with creating a mini bar near a recliner in the middle of the room. He stops and looks at his handiwork.

VINCE

Not bad, but not perfect.

Vince then separates a couch behind the chair and slides the chair back between them. Making amble room around the recliner. He stops and looks again.

VINCE

Vince sits down in the recliner. He opens a compartment where the remote is, He turns on the TV a seventy inch TV comes to life.

VINCE

MAURICIO

What is that?

Vince doesn't react.

MAURICIO

Pop!

Vince doesn't budge.

MAURICIO

POP!!

The programming goes to a commercial which allows a brief respite of noise just as...

MAURICIO

POP!!!!!!

Vince swivels quickly on the chair.

VINCE

Jesus son, there is no need to shout like an animal. I'm right here.

MAURICIO
Sorry it's just that--

The TV begins to blare again. Vince smiles and points the remote over his shoulder and lowers the volume.

VINCE
What?

MAURICIO
Where did all this come from?

VINCE
The TV from Best Buy everything
else from that furniture place down
the street.

Mauricio rubs his temples when PEDRO (40's) walks in with a mug of coffee.

PEDRO
Hola señor, te gustaria café?

Mauricio takes the mug without really thinking about it.

MAURICIO
Yes, gracias.

Pedro sits on the couch, with a copy of La Opinion

MAURICIO
Who's this?

Pedro gets up from the couch and walks over to Mauricio with his hand extended.

PEDRO
Lo siento, mi nombre es Pedro.

VINCE
This is Pedro, he's my guy who
helps around the house.

Mauricio shakes his hand.

MAURICIO
Mucho gusto.

Tomas walks into the room eating breakfast and over to the couch on the other side of the recliner.

Vince opens his armrest again and pulls out a beer.

VINCE
Have a beer, you seem a little
edgy.

MAURICIO
Pop, why did you rearrange my
living room?

VINCE
Don't you mean my living room?

MAURICIO
What are you?

VINCE
We had a bet.

MAURICIO
A bet? you can't be serious?

and believe the Documentary. It
means Guerrillas who battle in
hidden shape, Than gorillas the
ape.

Claude walks into the bathroom.

TERRY
Speak english.

Vince and Mauricio walk through the bay doors.

VINCE
Guerrillas are soldiers who hide
and kill you, not monkeys you ding
bat.

MAURICIO
Guerilla warfare is a style of
battle.

Mauricio sees Terry's blank face.

MAURICIO
Like a very evil Jack in the box.

TERRY
Oh... I knew that.

Ramon looks at Mauricio suspiciously

VINCE
You guys been busy?

RAMON
Sort of... Who this?

VINCE
Your new boss.

Claude exits the bathroom, sees Mauricio and freezes.

MAURICIO
Sorry.

Derek hands him a pen. Mauricio nods and signs the

CARL

So you had a rough day, it happens.

MAURICIO

Getting a ticket is bad day. I lost my home, my identity, my boat.

CARL

That thing was way overpriced.

MAURICIO

IT WAS... it was a piece of literary history.

CARL

It was a piece of something.

MAURICIO

I didn't sign up for this, I mean it was just a stupid high card.

CARL
What are you gonna do?

neighborhood. I started when I was
eight.

Mauricio remembers.

MAURICIO
The lemonade stand.

Mauricio looks at Carl.

CARL
You're just thinking about what you
lost. Look at what you're gaining.

Mauricio puts the money back in the bear and tosses it
to Bobby.

MAURICIO
Keep it kid.

BOBBY
But your boat.

MAURICIO
It's just an irreplaceable piece of
literary history.

BOBBY
Thanks Uncle Mauricio.

Mauricio gives him a nod as Bobby goes down the ladder.

INT. OFFICE - DAY

Mauricio plugs in his Notebook and flips it open. He
clicks on Google and it works.

MAURICIO
Step one.

A tow truck pulls in outside of his office on bay one.
A very upset driver HENRY exits the truck.

HENRY
I don't know what you guys did to
my truck but it's out of oil!

Derek opens the hood and pulls the dipstick. Mauricio
walks outside of his office. Ramon types the plate into
the computer.

RAMON
I'm sorry sir but we don't have
this truck in our system.

HENRY
Well Danni tells me that we send
our trucks here.

INT. DOWNSTAIRS BAY ONE - DAY

Mauricio walks downstairs and looks up at the oil
filter. He shakes his head.

RAMON
I can assure you.

HENRY
Why don't I just get Danni down
here and fire your asses!

INT. GARAGE - DAY

Mauricio walks upstairs.

MAURICIO
Yes. Why don't you? Actually I
insist I haven't seen Danni in
years.

HENRY
Who are you?

MAURICIO
The guy telling you to shut your
lying mouth. These guys aren't
responsible for whatever is wrong
with the truck.

Mauricio walks over to Henry and forces him into a
chair.

HENRY
I'll call her.

MAURICIO
I'll do it for you.

Mauricio looks at Ramon.

MAURICIO
Call Danni and let her know that...

Mauricio looks at the name on Henry's shirt.

MAURICIO
Henry took his truck to another
mechanic.

Ramon hands the phone over to Mauricio.

RAMON
It's ringing

Mauricio takes the phone.

MAURICIO
Hey Danni. It's Rico Gabriano,
Yeah, my Dad is taking some time,
we have a driver here with a truck
not in our system.

Mauricio looks at Henry.

MAURICIO
It's for you.

Henry gets in his truck and drives off.

MAURICIO
Hey Danni, No, think nothing of it.
I like hold music. Bring your car
down anytime.

JOANNE

SHELLY

MAURICIO

Mauricio tears out the back blank page from his book and writes down "THE PITS". He shows it to Shelly. She smiles at him.

SHELLY
Good title.

Vince is scouring the kitchen looking for his beer.

VINCE
Where did they put my beers?

Vince looks up at one cupboard that has yet to be opened. He reaches up and opens it when a small bucket of used kitchen oil comes pouring down on his head.

VINCE
I hate karma.

Mauricio turns the corner.

MAURICIO

VINCE
