People are running out of a Christmas tree lot from the oncoming truck. One kid JOHNNY 7, points at Solarus. He tugs at his mothers dress.

JOHNNY

Look Mommy, Solarus. He'll save us.

Solarus swoops down in front of the truck. The truck acts as if it hits an imaginary wall. Solarus extends his other hand as the truck begins to jackknife toward the tree lot. Trees fly everywhere.

SOLARUS

Come on Nick ol boy.

Solarus narrows his eyes as the trailer of the big rig begins collapsing, it gets closer and closer to the street corner. A car heading towards the corner slams on its brakes toward the people. Solarus sees this and extends his hand towards it.

SOLARUS (CONT'D)

This is going to be close.

The oncoming car pops and flips in the air. The people scream some dive to the ground. The trailer comes to a stop as Solarus keeps one arm up. The flying car stops in mid air and is gently placed down.

JOHNNY

I told you he'd save us.

Solarus smiles as the people cheer and he floats over to the cab of the big rig. With a blink of his eye the door pops off showing the driver RICK 42, beating an invisible bubble. The bubble slowly floats out with Rick inside.

SOLARUS

Good Morning.

Solarus lowers his arm. Police cars pull up as Rick falls to the ground. Cops run out and over to Rick.

RICK

What happened?

SOLARUS

You fell asleep and almost killed those people.

RICK
